The Federal Trade Commission (FTC) and the New York State Department of Health both require that certain disclosures be made by funeral providers on the General Price List. Although these disclosures are similar, they are not exactly the same. This General Price List contains both sets of the required disclosures. The disclosures required by the FTC, when different from those required by the Department of Health, are preceded by the letters "FTC". The goods and services shown below are those we can provide our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our services. If legal or other requirements mean you must buy items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral services and merchandise you selected.

This list may include prices for certain items that you select, such as cemetery charges or crematory service, flowers and newspaper notices. The estimated or final prices for those items will be shown on the itemized statement describing the funeral services and merchandise you selected. We charge you for our services in buying these items.
